Experience

- 2024 Dec - Present
Intern UI/UX Engineer at Kyranz IT
Worked remotely as an intern UI/UX Engineer at Kyranz IT, creating user-friendly web and mobile interfaces. Created wireframes and prototypes in Figma, assisted with user research, and ensured responsiveness - all while attending university and managing the role as a part-time job.
- 2024 Jun - 2024 Dec (06 months)
Intern UI/UX Designer at Web99x
Remotely served as an Intern UI/UX Designer at Web99x, crafting wireframes, mockups, and prototypes in Figma. Collaborated with developers to deliver clean, user-focused designs — all while attending university and managing the role as a part-time job
- 2021 Dec - 2022 Jun (06 months)
Bank Trainee at Peoples' Bank, International Banking Division
Worked as a Bank Trainee at Peoples' Bank, International Banking Division, specifically in the Import Bills section. Assisted in processing import documentation, verifying trade documents, and supporting daily operations related to international trade finance. This role was undertaken after completing my A/Ls, prior to entering university.

Projects (Check My GitHub & LinkedIn For More Projects)

- Avurudu Nakath (New Year Amulet) Mobile App | Role: UI/UX Designer & Mobile Developer**
Techstack: Figma, Dart (Flutter)
